

GAME BOARD

1. Build the action board by attaching the following together from top to bottom.

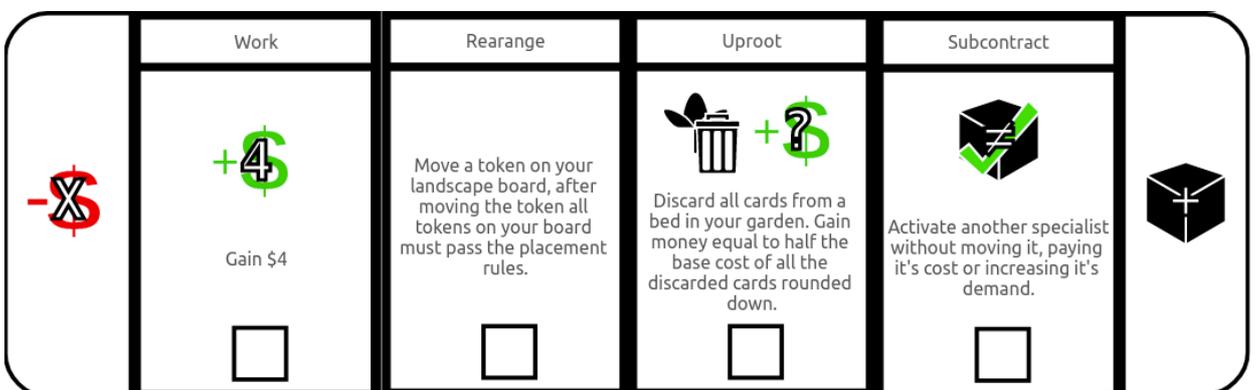

- a. Build the rest action row. Attach the following together in order, **Left Rest Bumper**, **Rest: Purchaser**, **Rest: Harvester**, **Rest: Seller**, **Rest: Landscaper** and **Right Rest Bumper**.

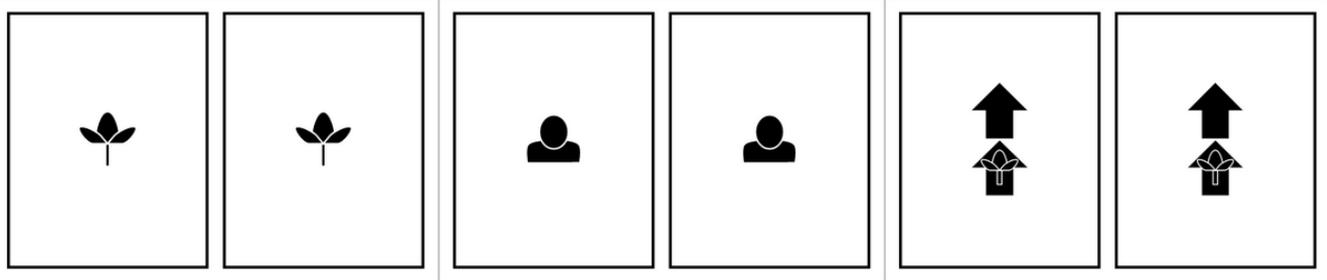

- b. Build the specialist action row. Attach the following together in order, **Left Specialist Bumper**, **Purchase**, **Harvest**, **Sell**, **Landscape** and **Right Specialist Bumper**.

- c. Build the neutral action row. Attach the following together in order, **Left Neutral Bumper**, **Mow Lawn**, **Give Class**, **Up Root**, **Subcontract** and **Right Neutral Bumper**.

2. Attach the three parts of the market board together and attach these to the bottom of the action board.

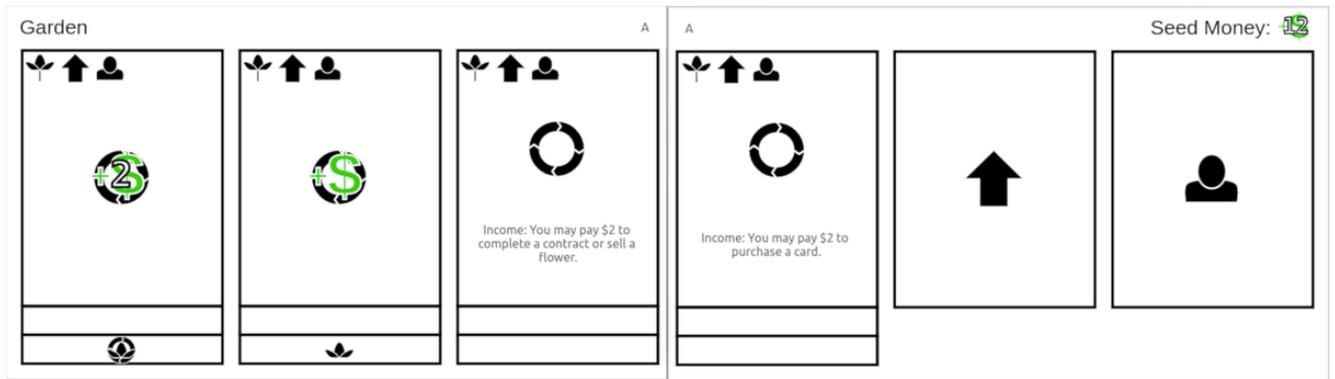

- To the right of the actions board attach the ornaments board.
- Below the ornaments board attach the blueprints board.
- Below the ornaments board, to the right of the blueprints board attach the contracts board.

The final board should look like:

1a 	Rest: Purchaser Draw the top X market cards, you may purchase one card.	Rest: Harvester Harvest X times. Others harvest once.	Rest: Seller Gain \$X. Others gain \$1.	Rest: Landscaper Draw X blueprints, you may keep 1 discarding any others.		3 Gnome -2 Gnome -2 Path -3 Path -3 Path -5 Path -7 Topiary -4 Topiary -4 Planter -7 Planter -5 Fountain -10 Planter -9		
	1b 	Purchase Purchase an ornament or card from the market.	Harvest Harvest any number of flowers from one flowering plant.	Sell Sell a flower at it's base cost or fulfill a contract.			Landscape Move a flower or ornament to your landscape.	4 5 Blueprints Contracts
	1c 	Work Gain \$4	Rearrange Move a token on your landscape board, after moving the token all tokens on your board must pass the placement rules.	Uproot Discard all cards from a bed in your garden. Gain money equal to half the base cost of all the discarded cards rounded down.			Subcontract Activate another specialist without moving it, paying it's cost or increasing it's demand.	
2								

PLAYER BOARDS

- Attach the 2 parts of each garden board together. The 2 halves of each board are labeled (A-F) and should be matched up.

2. Attach the garden board to the bottom of the resource board.

3. Attach a landscape to the right of the resource board.

The final boards should look like:
